

ENVIRONMENT POLICY

Purpose

Spinifex Australia Holdings Pty Ltd management and staff are committed to integrate environmental management into our everyday operations and to improve upon our environmental efficiency.

Policy

Spinifex has a footprint across all of NSW, as such it takes its environmental responsibilities seriously. To ensure the optimum environmental care is taken, Spinifex will:

- Monitor and comply with all relevant environmental laws and relevant standards and practices
- Manage our diverse activities to prevent or minimise pollution and impacts upon the air, water land flora fauna and cultural values
- Ensure understanding of environmental requirements and implementation of standards among our employees through our annual induction
- Respond to environmental concerns of our customers and workers
- Strive to improve resource consumption efficiency and minimise waste generation of our actions
- Monitor and review our environmental objectives and targets

The environmental policy and will be communicated to staff and will be reviewed annually.
